

Rockstar Roller Derby is seeking sponsors!

Rockstar Roller Derby is a local roller derby league and non-profit organization. Founded in 2010, our league has grown into a family of more than 50 members who are educators, nurses, bankers, mothers, scientists, entrepreneurs, and businesswomen from all walks of life. Rockstar territory includes Pottstown, Pottsgrove, Sanatoga, Boyertown, Birdsboro, Spring City, Royersford, Limerick, and Phoenixville. As a league, we believe community involvement is paramount to our success. We frequently volunteer our time to support local humanitarian, environmental, and animal relief causes. We promote local organizations at all of our events.

When you become a sponsor of RRD, you're supporting people who live and work in your community. You are boosting your visibility with our fans and partners throughout the tri-county area. Your sponsorship helps us to afford our practice space, training, equipment, and travel costs. The support of our sponsors is invaluable to us!

What does an RRD sponsorship entail?

We offer a variety of packages and advertising options in exchange for sponsorship. Packages can include advertising in our bout programs (the play bills of roller derby), displaying your banner at our bouts, links to your business on our website, and the ability to have a vending table at our bouts! We promote our sponsors, and we value our relationships with you. Sponsorship packages are great for any business budget, ranging from \$100-\$1,500. We offer custom sponsorship packages, and are happy to create a custom package to suit your business's needs.

RRD also accepts goods and services in exchange for sponsorship packages. Our league is always in need of various kinds of materials. Some examples would be equipment, uniforms, printing services, photography services, etc. Not sure what we need or want? Just ask!

Thank you for your time and consideration. We are always willing to answer any questions (please see our contact information below) or invite you to view one of our practices to meet the team and learn more about the sport we love.
